Presents a Trip to  
**Flight 93 National Memorial**  
Shanksville, PA

On Tuesday morning, September 11, 2001, the U.S. came under attack when four commercial airliners were hijacked and used to strike targets on the ground. Nearly 3,000 people tragically lost their lives. Because of the actions of the 40 passengers and crew aboard one of the planes, Flight 93, the attack on the U.S. Capitol was thwarted.

At the Flight 93 National Memorial you can explore the Visitor's Center Complex, the Memorial Plaza at the crash site, the Wall of Names and the Tower of Voices (under construction).
